

NORISHA FOUNDATION | Kenya - Africa - Global

Dr. Terra Saidimu Leseeto, EBS

Proposed Regional Coordinator - Rift Valley

Dr. Leseeto's professional background spans finance, taxation, risk management, public policy and governance. He previously served as Kenya Revenue Authority Commissioner for Intelligence and Strategic Operations. His public biography describes work in pastoral socio-economics, conservation and community development.

Sir Mark has proposed him for Norisha's Rift Valley regional coordination, connecting county and constituency delivery with the national team. This Norisha proposal is separate from government roles and does not indicate government endorsement.

Founder nomination. Acceptance and formal appointment have not been announced. This profile describes the existing public proposal and does not confer authority or an active appointment.
